On Thursday, February 26, 2009 at the Clarksburg Branch Lions meeting, a ceremony was held to recognize the CHS Leos and unveil the newly framed & signed Leo Charter, attending were Lions, Leo Clubs, families, and community leaders. King Lion Eloise Woodfield told the history of Leos and how in 1957, Pennsylvania Leos started. KL Eloise introduced the CHS Leo Advisors, Lion Renee Mason & Dawn Brezovec. Leo Officers told how the CHS Leos were started and the activities that have accomplished and plans for the future. CHS Leos have 45 members. The Leo Advisors and Leo Officers were presented with lapel pins, thanks to a generous donation by a Clarksburg business. All Leos were given the Leo Pin provided by LCI.

Advisor Lion Barbara Barry and Damascus High School Leos welcomed the new club. KL Eloise mentioned that DHS Leos were the first Leo Club for Damascus Lions to sponsor, 24 years ago. The DHS Leos told of their projects and how over the past years, they have contributed many dollars to Lions Camp Merrick and The Carol Jean Cancer Camp. The DHS Leos will have a "Sumo Wrestling Match Fund Raiser" on March 17, 2009.

The John T. Baker Middle School Leos were introduced, they welcomed CHS Leos and then told of their many projects, "Leaf raking for Seniors" food drives, etc.

Also, on that evening, a membership table was available, resulting in gaining interest from a Leo parent, asking to join the Lions Club.

A display of Local Black History was presented by Branch Coordinator Lion Joann Woodson.

Everyone had a great time. A buffet meal was served, (compliments of KL Eloise and the Lions Club). A prior prospective new member was introduced. This was an excellent program for the community, businesses, and Lions as "We Serve", to join together, recognizing the Youth, seeing Lions and Leos in action.
